### 3. ACKNOWLEDGEMENT

The Claim for Payment (proved by the DNMP) must be submitted within 40 days after manure transportation is complete. The following documents also need to be included with the Claim for Payment. Signature of the sender and receiver acknowledges shipment and receipt of the manure transported.

1. Weight in records from a certified scale for each loaded transport, or if transport is less than 25 road miles, an average load weight per vehicle as approved by the DNMP.
2. A daily summary of mileage claim(s) indicating the amount of manure and mileage from origin to destination. Claim rates are eligible according to the following:  
Nutrient transport will only reimburse up to a maximum load weight per gross vehicle weight. Funds are dependent on state allocation and are distributed on a first-come-first-serve basis. Claim rates may be modified and prioritized by the DNMC for any determined reason. Mileage rate for Farm to Farm/Farm to Alternative Use (2A, 2B,) is \$.08 per ton-mile with a total cap of \$9 per ton. Mileage rate for Alternative Use to Receiver's off the Peninsula (2C,) is \$.06 per ton-mile with a cap of \$9 per ton. Total Claim of transportation subsidies per ton transported will not exceed \$9. Claims must represent the most direct route or must be documented if the direct route is not utilized.

### 4. SIGNATURES (or attached acknowledgement of source and received of manure):
