**No Land Nutrient Management Plan COST ASSISTANCE APPLICATION**

The purpose of the Delaware Agriculture Nutrient Management Plan Cost Assistance Program is to promote development of nutrient management plans (NMPs) according to standards established by the Delaware Nutrient Management Commission (DNMC). Nutrient management cost assistance funds are available for NMPs developed by private nutrient consultants.

**8. The undersigned agrees to indemnify and hold harmless the Delaware Department of Agriculture and the Delaware Nutrient Management Commission (DNMC) from any liability resulting from the utilization of program funds. Failure to comply with the terms of the Delaware Agriculture Nutrient Management Plan Cost Assistance Program or the duplication of any other nutrient management plan funding program may result in exclusion from payment of claims and liability for returning the full amount of claims paid. Funds are dependent on allocation and priorities by the DNMC for any practical reason.**
