Date: Monday, August 12, 2019 **Racing Day: #50**
Weather: 88 degrees +/-, Mostly Sunny
Track - Fast Turf – Firm **1:15 post time**

Administrative:

Approved scratches for today, reviewed and filed veterinarian daily treatment sheets, selected blood gas test horses. Discussion about the ongoing problem of race day rider corrections/changes. Specifically, DTRC rule 8.9.1 and Delaware Park house rule....”trainers must secure a call... prior to making an entry” is being abused. The racing office has been notified by Presiding Steward Burkhardt, that all entries moving forward should have a “back-up” rider named. Hopefully, this will alleviate the necessity of race day corrections.
