HOW TO RESERVE A CAMPSITE

1. Using your phone or personal computer, go to [http://de.gov/forestcamping](http://de.gov/forestcamping) and find the green “State Forest Camping Reservation Link” icon and click it.

2. Next, select the “Stay Range” or dates for which you’d like to reserve a campsite and select “Tent” under the “Unit Type.” There is a three night maximum per site.

3. Look for the map of state forest campsites and use the + or - to zoom into the map to show availability for your dates.

Sites are indicated by numbered triangles (purple “B01” for Blackbird and blue “R01” for Redden). If a site is “grayed out,” it is not available for that date(s). Click on the triangle icon to select the particular campsite and view a photo of it (see image below) and then click “Get Availability.”

BLACKBIRD STATE FOREST
502 Blackbird Forest Road
Phone: 302-653-6505
Email: campblackbird@delaware.gov

REDDEN STATE FOREST
18074 Redden Forest Drive
Phone: 302-856-2893
Email: campredden@delaware.gov

Camping is a great way to experience the natural wonder and majesty of Delaware’s forests. Take a hike and explore miles of wooded trails. Observe wildlife among the towering trees. Enjoy a picnic and cook a barbeque. Relax with a heartwarming campfire. Sleep under the stars.
**How to Reserve a Campsite**

4. If the site is available, you will see a blue “Reserve” button below the site to begin the reservation process. There is a cost of $25 per night (plus a small fee).

5. When you click the “Reserve” button, the next screen under “Charge Details” will ask for the number of adults and number of children at the site. Enter the number to calculate the fee.

6. Enter your information under the “Guest Details” section and then complete the “Billing Details” section with complete credit card information (card number and expiration date).

   If you create an account on “Book Your Site,” you can enter that and it will autofill the form. Click the “Book Your Site” button to complete the reservation. You will get a confirmation by email.
