## STRUCTURAL PEST CONTROL INDUSTRY PRACTICAL EXPERIENCE REQUIREMENT

For applicators in the structural pest control industry (Categories 7A, 7B, and 7C), at least one of the certified applicators must have a minimum of two years of practical supervised experience under a certified applicator. This experience shall be acquired during the previous three-year period and shall be related to the license classification. Please provide proof of 2 years of practical experience if this application is for these categories.

## NOTARIZED STATEMENTS

YES  NO Have you ever had a civil judgement entered against you arising out of the application of pesticides?  
If yes, include the details on a separate sheet of paper and submit with application.

YES  NO Have you ever been arrested, convicted or fined in connection with your use of pesticides?  
If yes, include the details on a separate sheet of paper and submit with application.

I, \_\_\_\_\_, hereby apply for a license to operate a pesticide application business with the firm name of \_\_\_\_\_, in accordance with the provisions of 3 Del. C. § 1206-1224.

This is to certify that the preceding information is true and accurate to the best of my knowledge and belief, and I (we) will comply with the provisions of 3 Del. C. § 1206-1224.

I further agree I will permit any authorized agent of the Delaware Department of Agriculture to have access during all operating hours and business hours to any equipment used in or intended for use in pesticide operations, or to any premise from which my firm or I operate, and to have access to books and records of pesticide applications for investigation and administration of the provisions of law relating to the use of pesticides.
