From: Delaware Forest Service
To: Delaware Volunteer Fire Departments
Attn: Grants Coordinator/Training Officers/Chiefs
Subject: 2021 Delaware Forest Service Equipment Grant Application/Training Packet

I would like to announce the 2021 Volunteer Fire Assistance Equipment Grant Program. The enclosed packet includes important time dated grant application material for your volunteer fire department. All Delaware Volunteer Fire Departments responding to rural wildfires are invited to apply for a 2021 Volunteer Fire Assistance (VFA) equipment grant.

Applications for grant funds must be received by the Delaware Forest Service office in Dover, DE, no later than **June 20, 2021**. Awards shall be made within 7 business days so that awarded projects can begin. Please make note of the submission instructions at the bottom of the application. Priority will be given to those companies that have not received DFS Grant Funding within the past 3 years, had members attend the 2020-2021 (S130/S190) wildland fire classes and to those that have had members participate in the Delaware Forest Service's 2021 annual fire camp. No vehicles (trucks/UTV's/ATV's/Trailers), structural firefighting gear (turnout coats, hardhats, gloves, lights, rescue saws, etc) can be purchased with this funding. Funding is for wildland firefighting ¾" to 1 ½" forestry hose, wildland nomex clothing, wildland hardhats, brush unit pumps/skids, and wildland fire hand tools. Chainsaws can be purchased with funding however they cannot be used/modified into rescue saws.

If you have any questions about the application process or what can be purchased, please feel free to contact me at (302) 698-4548 or at Kyle.Hoyd@delaware.gov.

Sincerely,

Kyle Hoyd
Assistant Forestry Administrator

2021 Volunteer Fire Assistance Grant Application State of Delaware Department of Agriculture Forest Service
