Blood Gas Testing - #4

Scratches - None

"Objection" #4 Maestria (Marquez) against #6 Boss Lady Kim (Castillo) into the far turn. After review of the camera angles provided to the Stewards, it appeared that #4 was in between horses with his head coming up and may have been intimidated, #6 was angling in. It is a hard spot in the far turn to determine fouls, the one view the Stewards had on camera 2 as the alleged foul was occurring the camera angle shifted and lost both horses, so with no direct angle of the alleged foul the Stewards made no change.

Good start for all.
