The field continued around the turn and up the backstretch, Jockey Ordonez was injured and not moving as the field approached the far turn. The Stewards made the decision for safety reasons to get the Outriders in front of the field to pull up. The emergency siren was activated. Horses were maneuvered around the injured rider. The loose horse was captured on the backstretch. Jockey Ordonez was transported to the hospital. Race 4 was declared a no-contest. There will be a delay for race 5 as the Stewards were waiting for the ambulance to return to the grounds.
