The State Forests of Delaware are open to the public for all legal forms of recreation and enjoyment. In order that these publicly owned lands be conserved, protected, and maintained for the benefit of all, the following RULES AND REGULATIONS will be observed.

A. General Rules and Regulations

1. No living trees, shrubs, or other vegetation may be cut, felled, uprooted, removed, or otherwise injured or destroyed, unless written permission has first been obtained from the forest officer in charge.
2. Fires are prohibited for any purpose on State Forest lands other than in designated areas. 5. Writing upon, mutilating, carving, and otherwise defacing trees, buildings, structures, signs, and official notices is prohibited.
6. All State Forest boundaries are well-marked with metal signs, yellow paint on boundary line trees, brushed-out paths or with a combination of all three features. Therefore, boundary lines should be easy to identify. State Forest visitors should avoid trespass or encroachment upon adjoining private lands by staying within boundaries of State Forest lands.
7. Many roads have been closed to vehicular travel to improve the quality of recreation and to reduce littering. These roads and trails are open to pedestrian and non-vehicular travel only.
Furthermore, no off-highway vehicles or all-terrain vehicles, either registered or non-registered, are permitted. The only exception to this rule applies to those off-highway vehicles owned, operated, and/or authorized by the Delaware Department of Agriculture Forest Service. Violators will be prosecuted for trespassing.
8. With the exception of animals permitted under lawful hunting regulations, all animals must be under the continuous control of the owner(s) unless otherwise authorized in writing by the Forestry Administrator.
