SEED TESTING FEES

DELAWARE DEPARTMENT OF AGRICULTURE SEED LAB

Title 3, Chapter 15 of the Delaware Code allows the Department of Agriculture's Seed Lab to charge fees for seed testing services.

Effective January 2, 2024, the following fee schedule will apply and be applied to each sample submitted:

	Germination	Purity	Noxious
Soybeans	\$10	\$10	\$10
Corn	\$10	\$10	\$10
Small Grains	\$10	\$10	\$10
Vegetables	\$10	\$10	\$10
Grasses	\$15	\$35	\$20
Grass Mixes, each component	\$20	\$20	\$20
Flowers, Ornamentals, Herbs	\$15	\$20	\$15

In addition, uncleaned samples and samples containing other grains shall be subject to a cleaning fee of \$30.00 per sample.

Other Tests:

- Vomitoxin - \$46 per sample
- Aflatoxin - \$46 per sample
- Falling Numbers - \$50 per sample
- Cold Germination - \$15 per sample
- Round-Up Tolerance - \$20 per sample
- Seed Count (conditioned samples only) - \$10 per sample

If there are questions regarding these revised fees, kindly call the Seed Lab at 302-698-4590
