

Delaware Senior Farmers Market Nutrition Program

-Instructions to Participants, Including Rights & Responsibilities-

Welcome to Delaware's Senior Farmers' Market Nutrition Program (SFMNP). The purpose of the program is to provide you with access to fresh, locally grown fruits, vegetables, herbs, and honey, and to promote the usage of Delaware's farmers' markets and on-farm markets.

There are just a few simple things that you need to know about using your SFMNP card:

- ✓ Your Senior Farmers Market Nutrition Program card provides \$50 to use at approved farmers' markets and on-farm markets to buy fresh produce grown by local farmers.
- ✓ This packet contains a list of farmers markets and on-farm markets where you can shop. It also has a detailed list of the local fruits, vegetables, cut herbs, and honey products you can buy with your SFMNP card.
- ✓ Your card contains a printed QR code that will be scanned by authorized farmers using a mobile application. **The card is also protected by a 4-digit PIN, which is your birth year (all four digits).** If you'd like, you may change your PIN at shopper.soliportal.com.
- ✓ To make a purchase, show your card to an authorized farmer and let them scan the QR code on it. You will be able to review the purchase details and confirm the transaction by entering your 4-digit PIN on the farmer's mobile device.
- ✓ Use your card between June 1, 2024, and November 30, 2024.

Enjoy! If you have questions about how to use your SFMNP card, please contact the Delaware Department of Agriculture by phone at: 302-698-4625 or by email at kathy.jackson@delaware.gov
