

# DELAWARE FOREST SERVICE

## URBAN AND COMMUNITY FORESTRY PROGRAM

### 2026 INVASIVE SPECIES REMOVAL & MANAGEMENT GRANT REQUIREMENTS

**\*\*\* This year's grant application will be entirely [online](#) \*\*\***

#### GRANT PROGRAM OBJECTIVES

- To manage invasive species and the detrimental effects they pose throughout the state.
- To remove invasive species threatening our native species as stated in Appendix A.
- To assist with management of the invasive species stated in Appendix A.
- To provide support for restoration with native species.

#### GRANT RULES

1. Applications are open to municipalities, homeowners associations, maintenance corporations, or certified 501 (c)(3) organizations. Eligible projects must be performed on public lands within the community.
2. Applicants **must** have an Employer Identification Number (EIN) – no payment will be made to individuals.
3. Site visits are **required** before submitting an application. The [Site Visit Request Form](#) can be found on our website at [de.gov/delawaretrees](https://de.gov/delawaretrees).
  - Site visits **must** be scheduled a minimum of a week in advance.
  - Appointments will be made on a first-come, first-served basis.
  - Final day to make an appointment will be February 6, 2026.
  - No site visits will be done after February 13, 2026.
4. Cost estimates must be completed by providing three original bids on contractor's company letterhead.
5. Grant requests must be a minimum of \$500 not to exceed \$7,000.
6. All applications **must** be submitted **online**.
  - Applications will open December 5, 2025.
  - Deadline to submit application online is February 27, 2026, by 4:30 p.m.
  - Grant status letters will go out by March 18, 2026
  - Deadline to complete project and submit Grant Summary Report is November 30, 2026.

#### IMPORTANT NOTES

- No materials or work may be purchased or performed until the Grantee signs a contract with the Delaware Forest Service. The contract will be provided after the grant is awarded.
- If the grant is approved, the Grantee will be required to sign a contract between the Delaware Forest Service and the Grantee which indicates mutual agreement to specific tree work.
- Projects and close out documents not completed by the applicant and received by the Delaware Forest Service before November 30, 2026 will result in loss of grant award and reallocation of funds. **No exceptions.** This is a firm deadline.
- This is a reimbursement grant. Reimbursement will occur after project completion, the Grantee provides proof of paid invoices, and a successful audit by the Delaware Forest Service.
- No payments can be made during the month of July due to Delaware State fiscal year close-outs. Please consider this when submitting invoices and match; payments may be delayed if submitted around the month of June.
- Communities may be reimbursed UP TO the awarded amount. (Awarded amount will be stated on the

contract. Supporting invoice documents provided at the end of the project will determine total reimbursement amount. Final project cost may differ from proposed project cost.)

- **NO MATCHING FUNDS REQUIRED**

## RECIPIENTS OF GRANT FUNDS

- Will receive a letter of congratulations and procedural guidelines by March 18, 2026.
- Will sign a contract with the Delaware Forest Service, stipulating that the project will be conducted as specified in the grant application along with any amendments. **No materials or work may be purchased or performed without a signed contract with the Delaware Forest Service.**
- Will be required to submit an updated Online W9 Form to allow your organization to receive grant funds from the State of Delaware. <https://esupplier.erp.delaware.gov> before signing the contract. **Verification must be received from the communities no later than 14 days after receiving the award letter.**
- Press releases, articles, newsletters, signage, etc. must contain the following wording: **Funding for this project was provided by the Delaware Forest Service Urban and Community Forestry Program through the Bipartisan Infrastructure Law.** Failure to use the above statement will result in reallocation of funding and/or repayment of issued funds.
- Will provide a **7-day** notice prior to project start date. This notice ensures that a Forest Service representative can be present at the time of event. Failure to provide 7-day notice can jeopardize the level of funding awarded.
- Will complete the project **and** submit a Summary Report form by November 30, 2026. **No late submission of invoices and summary reports will be accepted. Late paperwork will result in loss of the grant award and reallocation of funds.**
- Closeout documentation must be submitted using the online form. No email submissions will be accepted. The link to the form will be provided at the time of the 7-day notice.
- After closeout documents are provided, an audit will be conducted by the Delaware Forest Service to ensure the project was completed properly and to the scope of work that was on the application.
- Will receive approved reimbursement amount upon completion of project, submission of Summary Report and documentation, finalized site plan and passing of the audit.
